Business Overview

Kavveri Telecom Products Limited formerly Kavveri Telecoms Ltd. ("Kavveri was incorporated in 1996 and is engaged in the design, development and manufacture of RF products Antennas for Telecom, Defence and space Applications in India and abroad. Kavveri enjoys the stature of being one of the largest manufacturers of Antennas & R F Products in India. Kavveri also provides total Turnkey solutions for coverage and capacity enhancement requirements for Turnkey solution for coverage and capacity enhancement requirements for GSM and CDMA carriers in India.

Kavveri is one of the leading providers of intelligent indoor coverage solutions for the mobile communications industry. Kavveri is working directly with mobile carriers to innovative approaches that extend wireless coverage indoors while preserving network integrity. It provides repeater solutions seamlessly to bring the outdoor signal inside for medium and large sized enterprise facilities ensuring that cell phones and mobile devices work reliably indoors.

Its focus on quality products has also enabled Kavveri to become the favoured vendor for GSM and CDMA operators and OEMs across India. Kavveri's esteemed clientele include industry giants such as Airtel, BSNL, Idea, ISRO, Nokia, Reliance Communications, Tata Teleservices, Vodafone to name a few. All the products that are manufactured by the company are designed and developed by the in-house Research & Development Centre of the Company.

Kavveri's products are mainly used in Telecom, Defence and Space segments and it has been dominant in the Telecom Segment since inception. For the last over 2 decades, Kavveri has been designing and developing various Radio Frequency Products and Antennas for defence and space requirements. Kavveri continues to invest in the research and development of Telecom products and the diversification of offerings, and has one of the industry's leading portfolios in terms of performance and features. The proprietary design technology is a further differentiator for the company's products.

Table of contents

01 Chairman's Message

About the Telecom Industry in India and the performance of the company during the Financial Year 2023-2024 and details of the Board of Directors.

02 Notice of 29th AGM

29th Annual General Meeting of the Members of the Company will be held on Friday, the 20th day of September 2024 at 10.00 A.M at No. 31-36, I Main, II Stage, Arekere MICO Layout, Bannerghatta Road, Bangalore 560 076

03 Financial Performance

29th Annual Report along with the Consolidated and Standalone Audited Financial Statements for the financial year ended 31st March, 2024.

04 Board's Report

Annual performance of the company during the reporting period 2023-2024 followed by the Corporate Governance and other applicable statutory reports

05 Audit Report and Financials

The audit report evaluates Describe's financial accuracy, compliance, and controls, highlighting risks. Financials include the balance sheet, income statement, and cash flow, providing a snapshot of the company's financial health.

Chairman's message

Dear Shareholders,

I am privileged to present on behalf of the Board of Kavveri Telecom Products Limited, the 29th Annual Report of the company for the financial year ended March 31, 2024.

Telecom industry growth continues to be driven by the continued importance of connectivity, bringing both opportunities and challenges for communications service providers (CSPs). This year's telecom outlook explores how CSPs are delivering value to consumer and enterprise customers with bundled services and connectivity options like 5G fixed wireless access (FWA) and fiber, as well as their role in meeting the growing demand for edge computing.

The Telecommunications Act, 2023, effective from June 26, emphasizes inclusion, security, growth, and responsiveness for a developed India, enabling government control for national interests, research and development funding, and fair infrastructure access for network expansion.

Roadmap 2024 and beyond – India vision for Telecommunication Sector.

India's vision for its telecommunication sector is ambitious, aiming to transform the country into a digital powerhouse and bridge the digital divide. Key components of this vision include:

1. Digital India:

- **Broadband Connectivity:** Ensuring universal broadband connectivity across the country, reaching even the remotest areas.
- **Digital Literacy:** Promoting digital literacy among citizens, especially in rural and underserved regions.
- **E-Governance:** Leveraging digital technologies to improve government services and enhance efficiency.

2. Make in India:

- **Domestic Manufacturing:** Encouraging the domestic manufacturing of telecom equipment and infrastructure.
- **Technology Innovation:** Fostering innovation and research in the telecom sector.
- **Job Creation:** Creating jobs and promoting economic growth through the telecom industry.

3. Smart Cities:

- **Infrastructure Development:** Building smart cities with advanced telecommunication infrastructure and IoT applications.

- **Urban Development:** Improving urban services and quality of life through digital solutions.

4. 5G Deployment:

- **Early Adoption:** Promoting the early adoption of 5G technology to drive innovation and economic growth.
- **Use Cases:** Exploring new use cases for 5G, such as autonomous vehicles, smart grids, and remote healthcare.

5. Rural Connectivity:

- **Bridging the Digital Divide:** Closing the digital divide between urban and rural areas.
- **Affordable Internet:** Providing affordable internet access to rural populations.

6. Cybersecurity:

- **Strengthening Security:** Enhancing cybersecurity measures to protect critical infrastructure and data.
- **Awareness:** Raising awareness about cybersecurity threats and best practices.

7. Telecom Infrastructure:

- **Investment:** Attracting investment in telecom infrastructure, including fiber-optic networks and towers.
- **Quality of Service:** Improving the quality of service provided by telecom operators.

8. Unified Licensing Framework:

- **Simplifying Regulations:** Implementing a unified licensing framework to streamline the regulatory environment.
- **Ease of Doing Business:** Making it easier for telecom companies to operate in India.

By realizing this vision, India aims to become a global leader in the telecommunication sector, driving economic growth, improving quality of life, and fostering innovation.

Signposts for the future

The telecom industry faces challenges like managing network demands, optimizing infrastructure, resolving customer issues, and strengthening security. Top trends in the industry are helping telecom companies address these issues and improve efficiency. With the growing global connectivity accelerated by the COVID-19 pandemic, telecom companies have opportunities to expand their customer base and introduce innovative products and services.

Key trends include the need for reliable and cost-effective solutions in cloud computing and 5G technology, especially in smart ecosystems like factories, cities, homes, vehicles, and industrial workplaces, where more connected devices and people require advanced connectivity solutions.

The telecom industry is undergoing a rapid transformation, driven by technological advancements and evolving consumer demands. Here are some key trends and signposts that will shape the future of the industry:

1. 5G and Beyond

- **Ubiquitous Connectivity:** 5G will provide faster speeds, lower latency, and greater capacity, enabling new applications and services.
- **Network Slicing:** Network slicing will allow operators to create customized network segments for different use cases, such as IoT, gaming, and autonomous vehicles.
- **Edge Computing:** 5G networks will drive the adoption of edge computing, bringing processing power closer to the data source for real-time applications.

2. IoT and Connected Devices

- **Massive Scale:** The number of connected devices will continue to grow exponentially, creating new opportunities for data collection and analysis.
- **Industry 4.0:** IoT will play a crucial role in enabling Industry 4.0, transforming manufacturing processes through automation, data-driven insights, and predictive maintenance.
- **Smart Cities:** IoT will be essential for building smart cities, improving infrastructure, and enhancing quality of life.

3. Cloud-Native Networks

- **Flexibility and Scalability:** Cloud-native networks will offer greater flexibility and scalability, allowing operators to adapt to changing market conditions.
- **Network Function Virtualization (NFV):** NFV will enable operators to decouple hardware from software, reducing costs and accelerating innovation.
- **Software-Defined Networking (SDN):** SDN will provide a programmable and automated approach to network management, improving efficiency and agility.

4. Artificial Intelligence and Machine Learning

- **Network Optimization:** AI and ML can be used to optimize network performance, predict failures, and automate network management tasks.
- **Customer Experience:** AI-powered chatbots and virtual assistants can enhance customer experience and provide personalized recommendations.
- **Fraud Detection:** AI can help detect and prevent fraud in telecom networks.

5. Fiber-to-the-Home (FTTH)

- **High-Speed Connectivity:** FTTH will provide ultra-high-speed internet access, enabling new services and applications.
- **Competitive Advantage:** Operators that invest in FTTH will have a competitive advantage in the market.

6. Sustainability and Energy Efficiency

- **Green Networks:** Telecom operators will focus on building more sustainable and energy-efficient networks to reduce their environmental impact.
- **Renewable Energy:** Increasing reliance on renewable energy sources will help reduce carbon emissions.

7. Privacy and Security

- **Data Protection:** Ensuring data privacy and security will be a top priority for telecom operators.
- **Cybersecurity:** Protecting networks and customer data from cyber threats will be critical.

By embracing these trends, telecom operators can position themselves for long-term success and capitalize on the opportunities presented by the rapidly evolving industry.

Telecom Services Market Size & Forecast

India's telecommunications market is the second largest in the world and is expected to grow at a compound annual growth rate (CAGR) of 7–9% by the end of 2024. As of August 2024, the market is valued at INR 3,000 billion (US\$35.9 billion). Some forecasts predict that the market will reach USD 48.61 billion in 2024 and USD 76.16 billion by 2029.

Key Telecom Services Market Driver

The market's growth is attributed to a number of factors, including:

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

- **Mobile service and fixed broadband**

Revenue from these areas has been expanding, even as legacy voice and SMS revenues have declined. In March 2024, broadband connections had increased to 924.07 million, up from 61 million in March 2014. Internet connections also increased from 251.5 million in March 2014 to over 954.4 million in March 2024.

- **Government initiatives**

The government has been promoting the installation of Base Transceiver Stations (BTS) to improve mobile coverage in remote and border areas.

- **Remote working**

The adoption of remote working during the pandemic led to increased demand for telecommunication services as companies upgraded their infrastructure and adopted cloud-based business models.

Financial Performance of the Company:

Your Company's sales on a consolidated basis decreased by 43.85% due to bad market conditions. The company recorded a total of ₹ 158.57/- Lakhs revenue as compared to Rs. 282.42/- Lakhs of previous financial year.

Finally, I would like to convey my sincere gratitude to my esteemed colleagues on the Board for their valuable advice and guidance which ensures that your company adheres to its principles, policies and processes and successfully meets the various challenges arising in these difficult times.

Thank you.

Board's Report 2023-24

NOTES

1. A MEMBER ENTITLED TO ATTEND AND VOTE IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS / HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as a proxy on behalf of not more than fifty members and holding in aggregate not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other Member. The instrument of Proxy, in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A Proxy Form is annexed to this Report. Proxies submitted on behalf of limited companies, societies, etc., must be supported by an appropriate resolution / authority, as applicable.
2. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 14, 2024 To Friday, September 20, 2024 (Both Days Inclusive). The book closure dates have been fixed in consultation with the Stock Exchanges.
3. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with relevant Rules made thereunder, Companies can serve Annual Reports and other communications through electronic mode to those Members who have registered their e-mail address either with the Company or with the Depository. Members who have not registered their e-mail address with the Company can now register the same by submitting a duly filled in 'E-Communication Registration Form', available on the website of the Share Transfer Agent of the Company, to Integrated Registry Management Services Private Limited (Formally M/s. Integrated Enterprises (India) Ltd., & previously Alpha Systems Pvt Ltd.), Members holding shares in demat form are requested to register their e-mail address with their Depository Participant(s) only. Members of the Company, who have registered their e-mail address, are entitled to receive such communication in physical form upon request.
4. The Notice of AGM, Annual Report and Attendance Slip are being sent in electronic mode to Members whose e-mail IDs are registered with the Company or the Depository Participant(s) unless the Members have registered their request for a hard copy of the same. No Physical copy of the Notice of AGM, Annual Report and Attendance Slip shall be sent to the members. Members who have received the Notice of AGM, Annual Report and Attendance Slip in electronic mode are requested to print the Attendance Slip and submit a duly filled in Attendance Slip at the registration counter to attend the AGM.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure

Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL. Pursuant to Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on 13th September 2024, are entitled to vote on the Resolutions set forth in this Notice. Members who have acquired shares after the dispatch of the Annual Report and before the book closure may approach the Share Transfer Agent of the Company for issuance of the User ID and Password for exercising their right to vote by electronic means. The e-voting period will commence at 9.00 a.m. on 17th, September 2024 and will end at 5.00 p.m. on 19th September 2024. And whoever not voted in this time period, once again the e-voting facility will be enabled on the date of AGM. The Company has appointed CS Guruprasada Bhat, Company Secretary in practice, to act as the Scrutinizer, for conducting the scrutiny of the votes cast. The Members desiring to vote through electronic mode may refer to the detailed procedure on e-voting given hereinafter.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <http://www.kavveritelecoms.com/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e., BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility) www.evotingindia.com

6. **The instructions for shareholders voting electronically are as under:**

- (i) The voting period begins on 9.00 a.m. on 17th, September 2024 and will end at 5.00 p.m. on 19th September 2024. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 13th September 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013

ITEM NO. 3 – TO CHANGE THE NAME OF THE COMPANY

The Company intends to change its name from **KAVVERI TELECOM PRODUCTS LIMITED** to **KAVVERI DEFENCE & WIRELESS TECHNOLOGIES LIMITED** to rebrand itself and to align more with its business objectives.

The company had made an application to the Central Registrar of Companies for obtaining the name availability vide SRN AA9445649 and the Hon'ble Central Registrar of Companies has made the name **KAVVERI DEFENCE & WIRELESS TECHNOLOGIES LIMITED** available to the Company vide their letter dated 29th July 2024.

Pursuant to the provisions of Section 13 of the Companies Act, 2013 any change of name of the Company requires the approval of members of the Company by passing a Special Resolution. Accordingly, resolutions mentioned in the Notice are recommended for your acceptance.

The Board of Directors in their meeting held on 14th August 2024 have approved the aforesaid resolution for the change of name of the Company.

None of Directors, KMP's and Relatives of Directors and KMP of the Company are in any way, concerned or interested in the resolution, except to the extent of their shareholding in the Company.

ITEM NO. 4 - TO ALTER THE ARTICLES OF ASSOCIATION UPON CHANGE OF NAME AND ADOPT NEW SET OF ARTICLES AS PER THE COMPANIES ACT, 2013:

Pursuant to change of name of the Company, Articles of Association of the Company need to be amended indicating the new name of the Company wherever the name appears in the Articles of Association and also Board intends to adopt the new set of Articles of Association as per the Companies Act, 2013.

The current Articles of Association of the Company is in accordance with Companies Act 1956 and hence it is proposed to adopt new set of Articles of Association in accordance with Articles of Association prescribed under the Companies Act, 2013 in replacement to existing set Of Articles of Association. The Board of Directors of the Company, at their meeting held on 14th August, 2024 have approved the proposal for adoption of new set of Articles of Association (AOA) which is subject to the approval of the members as detailed in the resolution.

Pursuant to the provisions of Section 14 of the Companies Act, 2013, any change in the Articles of Association of the Company requires the approval of members of the Company

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

by passing a Special Resolution. Accordingly, resolutions mentioned in the Notice as Item No. 4 is recommended for your acceptance and approval.

The Board of Directors in their meeting held on 14th August, 2024, have approved aforesaid resolution for change of Articles of Association of the Company.

ITEM NO. 5 - TO ALTER THE MEMORANDUM OF ASSOCIATION UPON CHANGE OF NAME.

Pursuant to change of name of the Company, Clause I of the Memorandum of Association of the Company needs to be changed incorporating the new name.

Pursuant to the provisions of Sections 4 and 13 of the Companies Act, 2013, any change of name clause of Memorandum of Association of the Company requires the approval of members of the Company by passing a Special Resolution.

Accordingly, resolutions mentioned in the Notice as Item No. 5 is recommended for your acceptance and approval.

The Board of Directors in their meeting held on 14th August, 2024, have approved the aforesaid resolution for change of name clause of Memorandum of Association of the Company.

None of Directors, KMP's and Relatives of Directors and KMP of the Company are in any way, concerned or interested in the resolution, except to the extent of their shareholding in the Company.

ITEM NO. 6 - TO ADOPT THE NEW SET OF MEMORANDUM OF ASSOCIATION AS PER THE COMPANIES ACT, 2013.

Upon enactment of the Companies Act, 2013, ("Act") the Memorandum of Association of the Company were required to be re-aligned as per the provisions of the new Act. As per the Companies Act, 2013, a Company can have only following objects clause in its Memorandum of Association.

1. The objects to be pursued by the company on its incorporation i.e. main objects.
2. Matters which are necessary for furtherance of the main objects.

It is proposed to amend the Main objects of the Company partially to align the same with the present business activities and would include matters which are necessary for furtherance of main objects in Clause III(B). It is proposed to delete the other businesses, which were earlier stated in "Other Objects" and not proposed to be carried out by the Company in the near future and also to make it in line with the Schedule I of the Companies Act, 2013. Accordingly, the existing Clause III A, Clause III B and Clause III C of

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

the Memorandum of Association of the Company are proposed to be replaced by substituting and inserting Clause III A and Clause III B with new numbering of the clauses as per the Memorandum of Association as submitted before the meeting and more particularly enumerated in the resolution.

The Board of Directors at their meeting held on 14th August 2024 has approved (subject to the approval of members) the amendment in the Memorandum of Association of the Company as aforesaid.

In terms of Section 4 and 13 of the Act, the consent of the Members by way of Special Resolution is required for change in objects clause of the Memorandum of Association of the Company. The Board recommends for approval by the members the resolution as set out at Item No. 6 of the Notice as a Special Resolution.

None of Directors, KMP's and Relatives of Directors and KMP of the Company are in any way, concerned or interested in the resolution, except to the extent of their shareholding in the Company.

ITEM NO. 7 - REGULARIZATION OF ADDITIONAL INDEPENDENT DIRECTOR, MR. GOKUL RAJENDRAN (DIN: 07475290) BY APPOINTING HIM AS INDEPENDENT DIRECTOR OF THE COMPANY.

Mr. Gokul Rajendran (DIN: 07475290) was appointed as an Additional Director of the company on 21st June, 2024 in terms of Section 161 (1) of the Companies Act, 2013 in the category of 'Non-Executive Independent' in terms of the Companies Act, 2013. Mr. Gokul Rajendran, an Additional Director holds the office up to the date of the ensuing Annual General Meeting of the Company or the last date on which annual general meeting should have been held, whichever is earlier.

Mr. Gokul Rajendran is not disqualified from being appointed as an Independent Director in terms of Section 164 of the Act and has given his consent to act as Director (in the category of Independent Director).

The Board considers that his association would be of immense benefit to the Company and it is desirable to avail services of Mr. Gokul Rajendran (DIN: 07475290) as an Independent Director.

In order to ensure compliance with the provisions of Sections 149 and 152 of the Companies Act, 2013 read with Rules made there under and Schedule IV of the Act, it is proposed that approval of the shareholders be accorded for the appointment of Mr. Gokul Rajendran (DIN: 07475290) as 'Non-executive Independent Director' for a term up to 5 (five) consecutive years commencing from 21.09.2024 to 20.09.2029 (both inclusive).

Accordingly, the Board of Directors recommends the passing of the above resolution as an Ordinary Resolution as set out in the item no. 7 of the notice for appointment of Mr. Gokul Rajendran. Save and except Mr. Gokul Rajendran, Independent Director, being an

appointee, none of the other Directors/Key Managerial Personnel and their relatives is in any way interested or concerned financially or otherwise, in the Resolution set out in the notice.

ITEM NO. 8 - RE-APPOINTMENT OF MR. CHENNAREDDY SHIVAKUMARREDDY AS MANAGING DIRECTOR LIABLE TO RETIRE BY ROTATION.

Based on the recommendation of Nomination and Remuneration Committee duly approved by the resolution passed at its meeting, the Board of Directors has reappointed Mr. Chennareddy Shivakumarreddy as the Managing Director of the Company for a period of 5 (Five) years w.e.f. 21st September, 2024, subject to approval of the members in General Meeting by passing the Special Resolution.

Mr. Chennareddy Shivakumarreddy visionary guidance has been instrumental in driving company's remarkable growth. Throughout his tenure, including the challenging times presented by the COVID-19 pandemic, he has exhibited exceptional leadership skills and a steadfast commitment towards Company's progress. Under his astute leadership, the Company has achieved steady growth, marked by consistent expansion, strategic initiatives, and a relentless pursuit of excellence. His ability to navigate through uncertainties and make well-informed decisions has ensured the sustainability of Company's operations. It would be therefore in the interest of the Company to re-appoint Mr. Chennareddy Shivakumarreddy as Managing Director of the Company.

Accordingly, the Board of Directors recommends the passing of the above resolution as a Special Resolution as set out in the item no. 8 of the notice for re-appointment of Mr. Chennareddy Shivakumarreddy as the Managing Director of the Company for a period of 5 (Five) years w.e.f. 21st September, 2024. Except Mr. Chennareddy Shivakumarreddy and Mrs. Rajpeta Kasturi Hanumenthareddy, being an appointee and relative of appointee respectively none of the other Directors/Key Managerial Personnel and their relatives is in any way interested or concerned financially or otherwise, in the Resolution set out in the notice.

ITEM NO. 9 - RE-APPOINTMENT OF MS. RAJPETA KASTURI HANUMENTHAREDDY (DIN: 00291851) AS A WHOLE-TIME DIRECTOR LIABLE TO RETIRE BY ROTATION:

Based on the recommendation of Nomination and Remuneration Committee duly approved by the resolution passed at its meeting, the Board of Directors has appointed Mrs. Rajpeta Kasturi Hanumenthareddy as Whole time Director of the Company for a period of 5 (five) years w.e.f. 21st September, 2024, subject to approval of the members in General Meeting by passing the Special Resolution.

Mrs. Rajpeta Kasturi Hanumenthareddy has invaluable contributions in driving company's export business. She has played a pivotal role in expanding Company's global presence, fostering international partnerships, and driving export operations of the Company to its new heights. It would be therefore in the interest of the Company to appoint Mrs. Rajpeta Kasturi Hanumenthareddy as Whole time Director of the Company.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

Accordingly, the Board of Directors recommends the passing of the above resolution as a Special Resolution as set out in the item no. 9 of the notice for re-appointment of Mrs. Rajpeta Kasturi Hanumenthareddy as the Whole-Time Director of the Company for a period of 5 (Five) years w.e.f. 21st September, 2024. Except Mrs. Rajpeta Kasturi Hanumenthareddy and Mr. Chennareddy Shivakumarreddy, being an appointee and relative of appointee respectively, none of the other Directors/Key Managerial Personnel and their relatives is in any way interested or concerned financially or otherwise, in the Resolution set out in the notice.

Balance transferred to Balance Sheet	(133.50)	3,148.76	(84.92)	3,216.70

* The previous period figures have been regrouped and/or reclassified wherever necessary to confirm with the current period presentation in compliance with Ind AS requirement.

DIVIDEND AND RESERVES:

The Directors regret their inability to recommend dividend for the year under review due to insufficient profit.

The Company has transferred entire amounts of loss to reserves for the financial year ended March 31, 2024.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

OPERATING RESULTS:

The financial performance highlights for the year ended March 31, 2024, are as follows:

On a Standalone basis, the Company has registered a net income stood at Rs. 16.55 Lakhs as compared to total revenue of Rs. 24,014.04 Lakhs of previous year (The company undergoes the OTS with the bank and all the financial liabilities are settled off. Hence total income appears to be high) and the Company has reported Loss after tax of Rs. 84.92 Lakhs during the Financial Year as compared to profit of Rs. 3,216.70 Lakhs in the previous Financial Year. The company undergoes the OTS with the bank and all the financial liabilities are settled off. Hence it appears that, the company earned the profit as per the Profit and Loss statement in the previous year.

On Consolidated basis, the Company has registered a net income stood at Rs. 187.99 Lakhs as compared to total revenue of Rs. 24,363.60 Lakhs of previous year (The company undergoes the OTS with the bank and all the financial liabilities are settled off. Hence total income appears to be high) and the Company has reported Loss after tax of Rs. 133.50 Lakhs during the Financial Year as compared to Profit of Rs. 3,148.76 Lakhs in the previous Financial Year 2022-23. The company undergoes the OTS with the bank and all the financial liabilities are settled off. Hence it appears that, the company earned the profit in the previous year as per the Profit and Loss statement.

DISCLOSURE ON ONGOING PRIVATE PLACEMENT AND PREFERENTIAL ISSUE OF CONVERTIBLE WARRANTS OF THE COMPANY

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

As you all aware your company is undertaking the issue of 4,00,00,000 Convertible warrants on Private Placement and Preferential issue. The said issue has been approved by the shareholders of the company in the Extra-Ordinary General Meeting held on 5th July 2024. Unfortunately, the details of pre and post shareholding were not correctly represented in the Notice calling Extra-Ordinary General Meeting since the Board was not aware of some pre preferential holdings by Mr. Kumar and Mr. Shrikanth Krishnamachary who holds 100 and 2550 shares prior to the relevant date respectively. The said mis representation was unintentional and without *mens rea*.

Further, the Board took the appropriate action to initiate the lock-in for the pre preferential holdings, held by the above said allottees and intimated the same to stock exchange for receipt of in-principle approval for the said issue. The National Stock Exchange (NSE) advised to overcome the lapse by mentioning the correct details in the Board's report and to take the shareholders consent in the upcoming General Meeting.

As per the instruction and advise from the NSE, disclosing the appropriate details of pre and post shareholdings of the proposed allottees. Following are the pre and post shareholding details of proposed allottees in the said private placement and preferential offer.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. INDUSTRY BACKGROUND

As per the reports of India Brand Equity Foundation, India is currently the world's second-largest telecommunications market and has registered strong growth in the past decade and half. The Indian mobile economy is growing rapidly and is expected to contribute substantially to India's Gross Domestic Product (GDP). The liberal and reformist policies of the Government of India have been instrumental along with strong consumer demand in the rapid growth in the Indian telecom sector. The government has enabled easy market access to telecom equipment and a fair and proactive regulatory framework that has ensured availability of telecom services to consumer at affordable prices. The deregulation of Foreign Direct Investment (FDI) norms has made the sector one of the fastest growing and a top five employment opportunity generator in the country.

B. INDUSTRY OUTLOOK

Five key trends shaping the telecom landscape:

In the year ahead, telecommunications companies will be focused on delivering advanced connectivity and higher performance to customers while reinforcing value and competitiveness. Five trends shaping telecom industry growth and business strategy, from 5G monetization to edge computing to an increasing focus on sustainability.

Preparing for a strong, resilient future:

Telecom industry growth continues to be driven by the continued importance of connectivity, bringing both opportunities and challenges for communications service providers (CSPs). This year's telecom outlook explores how CSPs are delivering value to consumer and enterprise customers with bundled services and connectivity options like 5G fixed wireless access (FWA) and fiber, as well as their role in meeting the growing demand for edge computing. We'll also consider how CSPs may want to balance pricing decisions with the need to accelerate deployment of infrastructure like fiber networks, while attending to the growing urgency to reduce resources, waste, and emissions from network operations, upgrades, and deployments. As connectivity works its way into more of the world, it may be more imperative than ever to balance costs with the needs of households, businesses, communities, and the environment.

Some of the specific themes playing a critical role in 2024 and beyond include the following:

- **The bundle battle: Add more value for cost-conscious consumers.** For individuals and families, connectivity is important. Yet, consumers often have cost constraints that can limit their options or drive them to seek the best service at the

- lowest price. To offer more value to consumers, many CSPs are bundling mobile and home internet access, offering connectivity options like fiber and 5G FWA, and partnering with entertainment services to include subsidized or free subscriptions.
- **Fixed wireless access surges, but will it endure?** As part of this “bundle battle,” 5G FWA has enjoyed substantial growth. This type of connectivity can provide strong reliability, but some questions remain about how much it can scale. As more people use 5G services, and if more bandwidth-intensive “killer apps” emerge, the limits of 5G FWA could be exposed. However, market dynamics and next-gen technology solutions could overcome these challenges.
 - **What enterprises want from 5G edge.** For enterprise customers, the need to cut costs, automate capabilities, and support innovation is driving interest and adoption of edge computing. CSPs will likely need partners to develop and deploy edge solutions, requiring more cooperation with erstwhile competitors.
 - **Joint ventures accelerate deployment of fibre networks.** Many of the connectivity solutions we cover rely on fibre networks. With high demand, strong competition, and the need to optimize costs and risk, more CSPs are partnering with private investors to accelerate deployment of fibre networks.
 - **Increase the focus on sustainability.** In doing so, these partnerships can support existing customers while extending further into underserved communities, helping to narrow the digital divide—the gap between those who have access to modern information and communication technologies and those who don't. This aspect tugs at the broader economic imperative of connectivity: more bandwidth, more equally distributed, enabling greater access to education and opportunity.

C. OPPORTUNITIES AND THREATS

After a turbulent few years, telecommunications leaders are looking toward challenges and opportunities that lie ahead.

During the panel, industry leaders tackled supply issues, inflation, and security, and what telecommunications companies can do and offer to offset increased costs and uncertainty.

While this panel of telecommunications experts focused on the challenges to come, we've reframed the topic to identify three opportunities these challenges present.

1. The opportunity to be financially and digitally agile: Since the pandemic, supply chain struggles have been a hot topic. Supply chain concerns seem to touch every industry from food service to logistics to, yes, telecommunications. Similarly, inflation – partially brought on by and intrinsically linked to supply chain challenges – is a ubiquitous, cross-industry issue. Supply, demand, and pricing fluctuations over the past few years have hurt businesses and created general economic uncertainty.

As a result of these challenges, companies struggle with missed delivery dates, the inability to run projects on predetermined timelines, and the need to set expectations around costs and timelines with customers before losing their business. At the same time, telcos face pressures between margins and topline costs as prices for equipment, labor, and materials skyrocket. All the while, the impending recession causes companies to reconsider their budgets. As budgets

tighten across the board, business buyers and consumers seek cheaper alternatives, putting further pressure on telcos' budgets and cost structures. Companies that emerge from the other end of the upcoming recession stronger than before will address financial instability by assessing risk versus value when budgeting, digitizing wherever possible, and keeping laser focused on customer experience.

In today's rapidly changing, digital-first age, financial and digital agility go hand-in-hand. Digitization efforts can cut costs in the long run as networks become more efficient, manual labor is automated, and security measures strengthen. Digitization can take the form of migration to the Cloud, adoption of next-generation technologies like artificial intelligence, automating internal processes, or embracing edge networking – to name a few.

Although these digitization efforts themselves often go unnoticed by the end user, these efforts ultimately trickle down into a better customer experience by improving application performance, mitigating network and business disruptions, and bolstering on-time delivery.

2. Up-leveling services with managed offerings: A downturned economy means that companies everywhere are considering which telco providers they work with and where they get value for their money. However, there's good news for telcos that offer managed services. One estimate suggests that IT spending on managed services will rise by 18% in 2024.

The fact is, smaller and mid-sized companies may not have the IT budgets or the expertise on their teams to operate like enterprises with bigger budgets and larger, more experienced teams. Perhaps they don't have the skills in-house to configure and manage their network. Plus, in an era of increasingly complex cyber-attacks, security is a concern. Without dedicated security staff, a company and its network could be vulnerable to attacks.

These companies' limited IT resources are incredibly valuable, and they don't want to waste their IT teams' time with tasks that could be outsourced or automated. In addition, remote work and the migration to the Cloud have skyrocketed in the past year, creating more dispersed networks, and adding a layer of complexity and insecurity.

3. Increasing automation efforts for greater efficiency and cost savings: As both enterprises and telecommunications companies cut costs and search for process optimizations to save time, technology can fill the gaps. Automation is one such technology that can help offset costs, save time on manual processes, and supplement human labor – ultimately lending to up-leveled offerings and increased customer satisfaction.

Rules-based automation has long been an integral part of the networking process. However, forward-thinking telecommunications companies are now adding machine learning-supported automation to the mix now. Machine learning can help predict network traffic, generate real-time dashboards, and monitor network security, to name just a few applications of the technology.

There are opportunities to improve both network operations and service operations with automation. Telcos can use automation to perform network maintenance and optimization, anomaly detection, and continuous integration/continuous delivery (CI/CD). Service operations automation includes customer and partner management, automating manual tasks, service provisioning, and assurance. All of these optimizations lead to more efficient, more accurate processes.

The aspirational end goal for telecommunications is fully autonomous systems able to learn and improve without any human intervention. However, most telecommunications companies are a far cry from this reality. Less than 10% of the surveyed telco leaders from a study by STL Partners reported being fully autonomous within a single function in network or service operations. Still, the same survey found that telcos could save almost six percent of their annual revenues if they choose to undertake automation efforts.

This technology will undoubtedly transform the telecommunications industry and others as more teams undergo digital transformation and it becomes more prevalent.

RISKS FOR TELECOMMUNICATIONS IN 2024

- **Cybersecurity:** Network operators must protect against cyber threats from hackers, corporate espionage, and user vulnerabilities.
- **Disruptive technologies:** The ability to leverage new technologies to achieve growth is a concern, especially as some digital technologies require new skills that are in short supply.
- **Talent crisis:** TMT organizations are concerned about attracting, developing, and retaining top talent, as well as managing shifts in labor expectations and succession challenges.
- **Underestimating changing imperatives:** This includes privacy, security, and trust.
- **Insufficient response to customers:** This is especially a concern during the cost-of-living crisis.
- **Inadequate talent and skills management:** This is a top risk for telecommunications in 2024.

- Poor management of the sustainability agenda: The telecommunications industry is focusing more on sustainability in 2024.

D. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Internal control systems are aimed at promoting operational efficiencies while stressing adherences to policies. The systems are designed with adequate internal controls commensurate size and nature of operations. Transactions are executed in accordance with the company policies. Assets are safeguarded and deployed in accordance with the Company's Policies.

The Company has in place adequate internal financial controls with reference to financial statements. Periodic audits are undertaken on a continuous basis covering all the operations i.e., manufacturing, sales & distribution, marketing, finance, etc. Reports of internal audits are reviewed by management from time to time and desired actions are initiated to strengthen the control and effectiveness of the system.

E. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS

The Company is able to retain the experienced staff, in spite of the copper consuming Industries are under recession, the Company feels confident of keeping its manpower costs to below industry norms. The atmosphere that is created in the organization is conducive for self-development and career growth; this is the success in retaining our manpower.

KAVVERI

REPORT ON CORPORATE GOVERNANCE

Company's Philosophy on Code of Governance

Your Company has been committed to the highest standard of Corporate Governance practices in the entire gamut of its business philosophy. The guiding forces of Corporate Governance at KAVVERI TELECOM are its core values – Quality operations, Customer satisfaction, Shareholders' value, Belief in people. The Company believes that a strong Corporate Governance policy is indispensable to healthy growth of business and resilient and vibrant capital markets, besides being an important instrument of investor protection. In this direction, your company endeavors in true spirit, to adopt the best global practices in Corporate Governance.

The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time is collectively referred to hereinafter as 'SEBI (LODR) Regulations, 2015'.

1. Composition of the Board of Directors

The Board of Directors has Five (5) members (as on March 31, 2024) and company including the Managing Director and one Women Director and three (3) Non-Executive Directors. All Directors bring in wide range of skills and experience to the Board. The Company has an Executive Director as its Chairman and the three (3) Independent Directors constitute more than half of the total number of Directors on Board. Thus, the composition of the Board is in conformity with the provisions of the Companies Act, 2013 and SEBI [Listing Obligations and Disclosure Requirements (LODR)] Regulations, 2015.

None of the Directors on the Board is a Member of more than 10 committees or Chairman of more than 5 companies across all the Companies in which he is a Director. The Directors have made necessary disclosures regarding Committee positions in other public companies as on March 31, 2024.

During the year under review, Mr. Abhishek Padmanabha Desai, Director resigned with effect from October 12, 2023. The Board placed on the record its appreciation for valuable contribution given by him during the tenure as an Independent Director in the Company and Mr. Gokul Rajendran, has been appointed as an Additional Independent Director with effect from June 21, 2024.

The names and categories of the Directors on the Board, their attendance at Board Meetings held during the year and the number of Directorships and Committee Chairmanships / Memberships held by them in other companies is given below. Other Directorships do not include alternate directorships, directorships of private limited companies, section 8 companies and of companies incorporated outside India. Chairmanship / Membership of Board Committees include only Audit and Shareholders / Investors Grievance Committees.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

During the year the Board of Directors of the Company duly constituted and the details of the Board of Director of the Company as on 31st March 2024 tabled below.

Sl. No	Name of the Director	DIN	Designation
1	Mr. Chennareddy Shivakumarreddy	01189348	Chairman and Managing Director
2	Ms. Rajpeta Kasturi Hanumenthareddy	00291851	Whole-Time Director
3	Mr. Shankarnarayan Srikantiah Bangalore	00269705	Non-Executive - Independent Director
4	Mr. Lakshmipuram Rajagopalachar Venugopal	01058716	Non-Executive - Independent Director
5	Mr. Keerthi Narayan	06745995	Non-Executive - Independent Director

2. No. of meetings held and attended:

4. Attendance at previous Annual General Meeting:

Name	Attendance at previous AGM
Mr. Chennareddy Shivakumarreddy	Yes
Ms. Rajpeta Kasturi Hanumenthareddy	Yes
Mr. Shankarnarayan Srikantiah Bangalore	Yes
Mr. Lakshmipuram Rajagopalachar Venugopal	Yes
Mr. Keerthi Narayan	Yes
Mr. Abhishek Padmanabha Desai	Yes

5. Responsibilities of the Chairman & Managing Director and Whole Time Director of the Company:

In short, the Chairman & Managing Director and the Executive Director are the mentors of the Management and responsible for Corporate Strategy, Planning, Internal & External Controls. They also take care of business operations and targets, new initiatives and investments and planning for achieving targets. They also overview customer service &

support operations new advancements, in addition to governance, compliances and guidance on day to day challenges.

6. **Independent Directors:**

During the financial year, the Board consists of Four Independent Directors. Mr. Shankarnarayan Srikantiah Bangalore, Mr. Lakshmiapuram Rajagopalachar Venugopa, Mr. Keerthi Narayan and Mr. Abhishek Padmanabha Desai are an Independent Directors of the Company, who comply the criteria's mentioned in the Section 149 of the Companies Act, 2013 and LODR regulations. However, Mr. Abhishek Padmanabha Desai ceases to be the director on with effect from October 12, 2023.

7. **Code of Conduct:**

The Board has laid down a code of conduct for all its members, Senior Management Personnel and Designated Employees of the Company. All Board members and Senior Management Personnel affirm compliance with the code on an annual basis.

8. **Vigil Mechanism:**

As referred in the Directors Report, the vigil mechanism for its Directors and employees also incorporates a Whistle Blower Policy, basically enabling the seamless flow of grievances from the victims / observers to the redressal authority. The Managing Director of the Company has been made the nodal officer to receive the complaints / concerns / grievances of employees, who in turn escalates the matter to the Audit Committee who oversees the vigil mechanism. The nodal officer, upon receipt of any complaints / concerns / grievances, processes the same and does the preliminary investigation and then presents the facts of the case to the Audit Committee. The employee, in exceptional cases, can directly access the Chairman of the Audit Committee by any available mode of communication.

9. **Board Evaluation:**

As mentioned in the Directors Report, the Companies Act, 2013 as well as the Listing Agreement envisage a performance evaluation framework whereby the performance of Directors, committees and the Board as a whole is subject to evaluation from time to time which in turn helps the Company to address several issues such as appointment / reappointment of Directors, improving the quality of performance of the Directors at individual level and the Board as a whole, effective discharge of duties by the Directors, optimum utilization of Board level resources, determining suitable remuneration / compensation packages etc., With the aforesaid objective in mind, the Board, based on the recommendations of the Nomination and Remuneration Committee, has devised a policy for performance evaluation of Directors, committees and the Board, which include criteria for determining qualifications, positive attributes and independence of Directors. The Company has also surveyed on the best practices prevalent in the Industry with respect to evaluation of the performance of the Board and its members. The Company has

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

also availed the services of professionals seeking their suggestions on the said matter. Based on the inputs received from the aforesaid sources and in accordance with the Policy of the Company, evaluation process has been undertaken.

10. Transactions with Related Parties:

The Company has not entered any related party transactions during the year under review hence AOC-2 is not applicable.

I. Committees of the Board:

Currently, there are Four Board Committees – Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee. The terms and reference of the Board Committees are determined by the Board from time to time. Meetings of each Board Committee are convened by the Chairman of the respective Committee. The role and composition of these Committees, including the number of Meetings held during the financial year and the related attendance are provided below.

1. Audit Committee:

The primary objective of the committee is to monitor and provide effective supervision of the Management Financial Reporting process to ensure accurate and timely disclosures, with the highest levels of transparency, integrity and quality of financial reporting. The committee oversees the work carried out in the financial reporting process by the Management and the independent auditors. The committee has the ultimate authority and responsibility to select, evaluate and wherever required, replace the independent auditor in accordance with the law.

(i) Composition and Attendance in the Meeting:

Name	Designation	No. of Meetings held during the year	No. of meetings entitled to attend	No. of meetings attended

Board's Report 2023-24

Chennareddy Shivakumarre ddy				
------------------------------------	--	--	--	--

All the Members of the Audit Committee are financially literate and possess knowledge about accounting and Financial Management.

(ii) Role of the Audit Committee:

1. Overseeing the Company's Financial Reporting Process and disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible.
2. Recommending to the Board, the appointment, re-appointment and if required, the replacement or removal of the statutory auditor and the fixation of audit fees.
3. Reviewing with the Management, the Annual financial statements before submission to the Board for approval, with particular reference to:
 - a) Matters required to be included in the Director's Responsibility Statement and Board's Report in terms of provisions of the Companies Act.
 - b) Changes, if any, in Accounting Policies and practices and reasons for the same.
 - c) Major accounting entries involving estimates based on the exercise of judgment by the management.
 - d) Significant adjustments made in the financial statements arising out of audit findings.
 - e) Compliance with listing and other legal requirements relating to financial statements.
 - f) Disclosure of any related party transactions.
 - g) Qualifications in the draft audit report.
4. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval.
5. Reviewing, with the management, performance of the statutory auditor and adequacy of the internal control systems.
6. To discuss with statutory auditors before the audit commences, the nature and scope of audit as well as post-audit discussion to ascertain any area of concern.
7. Reviewing the adequacy of the internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit.
8. Discussion with the internal auditors of any significant findings and follow up there on.

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

9. Reviewing the risk management policies, practices and the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board.
 10. Review and monitor the auditor's independence and performance and effectiveness of audit process.
 11. Approval or any subsequent modification of transactions of the Company with related parties.
 12. Evaluation of internal financial controls and risk management systems.
 13. To look into the reasons for substantial defaults in the payment to the depositors, if any, shareholders (in case of non-payment of declared dividends) and creditors.
 14. Reviewing with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilised for purposes other than those stated in the offer document / prospectus/ notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of public issue or rights issue and making appropriate recommendations to the Board to take up steps in this matter.
 15. To review the functioning of Whistle Blower Mechanism.
 16. Approval of appointment / reappointment / remuneration of CFO (or any other person heading the finance function or discharging that function) after assessing the qualifications, experience & background, etc. of the candidate.
 17. Carrying out any other function as may be mentioned in the terms of reference of the Audit Committee.
- The Audit Committee discharges its functions and obligations on regular basis and on the occurrence of the events.

2. Nomination and remuneration committee:

(i) Composition & Attendance:

Name	Designation	No. of Meetings held during the year	No. of meetings entitled to attend	No. of meetings attended

KAVVERI TELECOM PRODUCTS LIMITED

Board's Report 2023-24

Annexure III to the Board's Report

AUDITOR'S CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE AS REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015:

To
The Members
KAVVERI TELECOM PRODUCTS LIMITED
Bengaluru

I have examined all the relevant records of KAVVERI TELECOM PRODUCTS LIMITED ('the Company') for the purpose of certifying the compliances of the conditions of Corporate Governance by the Company for the year ended 31st March 2024 as stipulated under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the Management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated under the Listing Regulations *except Regulation 17(1) with respect to constitution of Board which comprise of only 5 Directors from 13th October 2023 to 31st March 2024. However, the company appointed one more director to the Board with effect from 21st June 2024.*

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Annexure IV to the Board's Report

FORM No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2024
(Pursuant to Section 204 (1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014)

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Kavveri Telecom Products Limited (CIN: L85110KA1996PLC019627) (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31.03.2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31.03.2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

INDEPENDENT AUDITOR'S REPORT

To the Members

Kavveri Telecom Products Limited

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **M/s. Kavveri Telecom Products Limited** ("the Company") which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph**, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and loss, and its cash flows for the year ended on that date.

Basis of Qualified Opinion

- i. **Material uncertainty related to Going Concern:** During the year the company has incurred a Net loss of Rs. 84.92 Lakhs resulting into accumulated losses of Rs. 9,108.30 Lakhs, which is after recording all the necessary entries based on the write back off of Deposits, Interest receivables and Trade receivables. There is significant decrease in revenue over the past few years. These conditions indicate the existence of a material uncertainty that may cast a significant doubt on the Company's ability to continue as going concern and therefore may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying standalone financial statements.*
- ii. In relation to carrying value of investments held by the company in its subsidiaries, which have been incurring losses and in some of these companies, net worth was fully or substantially eroded. Taking into account the management internal assessment and initiatives to be implemented to improve the profitability in the medium to long term, the management of the company is of the view that carrying value of investments are realizable at the value stated in the books. In the absence of fair valuation of these investments, we are unable to comment upon the carrying value*

and thus, we are unable to comment whether any provision for impairment in the value of investments is required,

- iii. The company has not reinstated the forex balances in respect receivables and payables including the related parties balances which is not in conformity with Indian Accounting Standards 21, we are unable to comment the possible effects on the financial statements as the company does not have the details of the forex receivables and payables, further there are no balance confirmations available,*

Emphasis of Matter

Without qualifying our opinion, we draw attention to the below

- i. **Deposits, Loans and Advances** : We draw attention to Note 3 in the financial statements, which describes the write-off of certain deposits. As disclosed in Note 3, during the current year, the company has recognized a write-off of deposits due to their unrecoverable nature. The total value of Deposits written off during the financial year is Rs. 2.51 Lakhs.

The write-off of deposits represents a significant event that has affected the company's financial position. It reflects management's revised assessment of the recoverability of these deposits based on the current information, contractual status, or disputes.

In the absence of confirmations of Loans and Advances, and various advances, we are unable to comment on the extent to which such balances are recoverable,

- ii. **Interest Receivable from Banks** : We draw attention to Note 9 in the financial statements, which describes the write-off of interest receivable from banks. As disclosed in Note 9, during the current year, the company has recognized a write-off of previously recognized interest receivable from bank. The total value of Interest receivable from bank written off during the financial year is Rs. 1.05 Lakhs.

- iii. **Trade Payable, Advances Received and Confirmation** : We draw attention to Note 15 in the financial statements, which describes the write-back of certain trade payables and advances received. As disclosed in Note 15, during the current year, the company has recognized a reversal of previously recognized trade payables and advances received due to their no longer being payable or refundable. The total value of trade payables and advances write-back during the financial year is Rs. 0.51 Lakhs.

Further, we draw attention to Note 15 & 16 in the financial statements, which describes the absence of confirmation of Trade Payable and Advances as on 31st March 2024. However, the Company is in the process of obtaining the same, based on that we are unable to comment on

the extent to which such balances are payable. The total value of Trade Payable as on 31st March 2024 is Rs.46.10 Lakhs.

In the absence of confirmations of Trade Payables and various advances, we are unable to comment on the extent to which such balances are payable,

iv. **Trade Receivables, Advances and Balance Confirmation** : We draw attention to Note 7 & 9 in the financial statements, which describes the absence of confirmation of Trade Receivables and Advances as on 31st March 2024. However, the Company is in the process of obtaining the same, based on that we are unable to comment on the extent to which such balances are recoverable. The total value of Trade Receivable as on 31st March 2024 is Rs.237.18 Lakhs. In the absence of confirmations of Trade Receivables we are unable to comment on the extent to which such balances are recoverable,

v. **Borrowings** : In the absence of confirmations of borrowings, we are unable to comment on the extent to which such balances are payable,

vi. **Overseas Investment Audit Report** : In our opinion and according to the information and explanations given to us, the Company has not provided the audit reports of the group companies Hence we are unable to ascertain the details of the same.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained, ***except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph and Emphasis of matter paragraph above***, all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) ***Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph and Emphasis of matter paragraph above***, In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) ***Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph and Emphasis of matter paragraph above***, In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014,

- e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure II**”. Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended.

In our opinion and to the best of our information and according to the explanations given to us, the company has not paid/provided any managerial remuneration during the year under Audit.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has not made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company (Refer Note No.16 to Financial Statements).
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party

("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

- v. The company has not declared or paid any dividend during the year which is in contravention of the provisions of section 123 of the Companies Act, 2013.
- vi. Based on our examination which included test checks, performed by us on the Company, except for the instances mentioned below, if any, have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of audit, we have not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure I referred to in paragraph [1] under Report on Other Legal and Regulatory Requirements of our report of even date

Annexure to the Independent Auditor's Report of even date to the members of **M/s Kavveri Telecom Products Limited**, on the financial statements for the year ended 31st March 2024.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i) In respect of Fixed Assets:

- a) *(A) The Company has not maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, Hence, we are unable to ascertain the details of quantity and situation of Property, Plant and Equipment.*
(B) The Company has not maintained proper records showing full particulars of Intangible Assets.
- b) *The major Property, Plant and Equipment of the company have not been physically verified by the management at reasonable intervals during the year, however they are in the process of doing the physical verification in the current financial year. We are unable to comment on discrepancies that might be arising on such physical verification of PPE that are lying on all locations where physical verification could not be performed.*
- c) *There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.*
- d) *The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2024 and accordingly, the requirement to report on clause 3(i)(d) of the Order is not applicable to the Company.*
- e) *According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.*

(ii) In respect of Inventories:

- a) *There are no inventory in the company in order to perform physically verification during the year by the management.*
- b) *The company has not been sanctioned working capital limits in excess of five crore rupees (at any point of time during the year), in aggregate, from banks or financial institutions on the basis of security of current assets; quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.*

- (iii)** According to the information and explanation given to us, the Company has during the year, not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
- (iv)** In our opinion and according to the information and explanations given to us, the company in respect of loans, investments, guarantees and security, provisions of section 185 and 186 of companies act, 2013 have been complied with.
- (v)** The Company has not accepted any deposits from the public covered under Section 73 to 76 of the Companies Act, 2013 and rules framed there under to the extent notified.
- (vi)** The Company is not in the business of sale of any goods or provision of such services as prescribed by the Central Government under section 148(1) of the Act. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii)** (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and services tax, service tax, value added tax, cess and any other statutory dues applicable are not regularly in deposited by the Company with the appropriate authorities in India,

(b) There were no disputed amounts payable in respect of Provident Fund, Professional Tax and TDS dues in arrears as at 31st March 2024 for a period of more than 6 months from the date they became payable:

According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, wealth tax, service tax, and cess were in arrears as at the balance sheet date for a period of more than six months from the date they became payable apart from amounts mentioned above. ***However, in respect of Provident Fund, Sales Tax and TDS the company has dues payable for more than 6 months outstanding as on the date of balance sheet, the details of the same are as under:***

Particulars	FY 2023-24	FY 2022-23
Tax Deducted at Source	1,60,70,295	1,56,58,429
Provident Fund	2,78,752	5,29,117
Central Sales Tax (FY 2010-11)	55,59,004	57,69,004
Professional Tax	32,150	32,150
Employee State Insurance Corporation	-	184
Total	2,19,40,201	2,19,88,884

(c) Details of dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax and CESS which have not been deposited as on 31st March 2024 on account of disputes are given below:

- (viii)** The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix)** The Company has not taken term loans from Banks and Financial institutions during the financial year. The company has defaulted in payment of dues of interest and principal of cash credit and term loans.
- (x)** (a) During the year the Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments).

(b) The Company has not made any Preferential allotment or Private Placement of shares or fully Convertible Debentures (Partly or optionally convertible debentures) during the year under review.

(xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.

(b) During the year, no report under sub-section (12) of section 143 of the Act, 2013 has been filed by the secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year

(xii) In our opinion, the Company is not a nidhi company as per the provisions of the Act. Therefore, the provisions of clause 3(xii)(a) of the Order are not applicable to the Company and hence not commented upon.

(xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Act where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable Ind AS Financial Statement as required under Indian Accounting standard (Ind AS) 24, related party disclosures specified under section 133 of the Act, read with relevant rules issued there under.

(xiv) The Company is in the process of having an internal audit system commensurate with the size and nature of its business.

(xv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company

(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.

- (xvii)** The Company has incurred cash losses in the current year of Rs.65.68 Lakhs. The Company has incurred cash losses in the immediately preceding financial year of Rs.126.80/- Lakhs.
- (xviii)** There has been no resignation of the statutory auditors during the year and accordingly requirement to report on clause 3(xviii) of the Order is not applicable to the Company.
- (xix)** On the basis of the financial ratios disclosed in Note 51 to the standalone financial statements, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)** The provisions of Section 135 towards corporate social responsibility are not applicable on the company. Accordingly, the provisions of clause 3(xx) of the Order is not applicable.

Annexure II to the Independent Auditor's Report

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of **M/s. Kavveri Telecom Products Limited ('the company')** as of 31st March 2024 in conjunction with our audit of IND AS Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the IND AS Financial Statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion:

1. The company did not have appropriate internal controls for confirmation and reconciliation of Trade Receivables, Trade Payables, Deposits, Other Current Assets and Current Liabilities.
2. The company did not have fixed asset register as on 31.03.2024.

As a result of above matters, we have not been able to obtain sufficient and appropriate audit evidence in relation to Internal Financial Controls over Financial Reporting and consequently, we are unable to determine whether the company has established adequate internal financial controls over Financial Reporting and also whether such internal financial controls were operating effectively as at March 31st, 2024.

Qualified Opinion

In our opinion, as a result of the matters given in the Basis of Qualified opinion paragraph in the Audit report of the company, we have not obtained sufficient appropriate audit evidence in respect of those matters specified in the Basis of Qualified opinion paragraph. We are unable to determine whether the company has established adequate internal financial controls over Financial Reporting and also whether such internal financial controls were operating effectively as at 31st March 2024 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies**All amounts in INR Lakhs, Except No. of shares & EPS****26. Corporate Information**

M/s Kavveri Telecom Products Limited ('company' or 'Kavveri') was incorporated in 1996 and is engaged in the design, development and manufacture of Radio Frequency products and antennae for telecom, defense and space applications in India and abroad. Kavveri enjoys the status of being the largest manufacturer of wireless subsystem products like, Radio frequency products and antenna and Radio Frequency products in India. Kavveri also provides total turnkey solutions for coverage and capacity enhancement requirements for GSM 3G and CDMA carriers in India

27. SIGNIFICANT ACCOUNTING POLICIES**Basis of preparation**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with IndAS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, 2016 & 2017 and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- Assets held for sale – measured at fair value less cost to sell; and
- Defined benefit plans – plan assets measured at fair value;

Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reporting amounts of assets, liabilities, income and expense and disclosures made. Although these estimates are based on management's best knowledge of current events and actions, actual result may differ from those estimates.

The critical accounting estimates and assumptions used and areas involving a high degree of judgments are described below:

Use of estimation and assumptions

In the process of applying the entity's accounting policies, management had made the following estimation and assumptions that have the significant effect on the amounts recognised in the financial statements.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies**All amounts in INR Lakhs, Except No. of shares & EPS****Income tax**

The company recognizes tax liabilities based upon self-assessment as per the tax laws. When the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such final determination is made.

Property, plant and equipment & Intangible Assets

Key estimates related to long-lived assets (property, plant and equipment and intangible assets) include useful lives, recoverability of carrying values and the existence of any retirement obligations. As a result of future decisions, such estimates could be significantly modified. The estimated useful lives of long-lived assets is applied as per the Schedule II of Companies Act, 2013 and estimated based upon our historical experience, engineering estimates and industry information. These estimates include an assumption regarding periodic maintenance and an appropriate level of annual capital expenditures to maintain the assets.

Employee Benefits- Measurement of Defined Benefit Obligation

Management assesses post-employment and other employee benefit obligations using the projected unit credit method based on actuarial assumptions which represent management's best estimates of the variables that will determine the ultimate cost of providing post-employment and other employee benefits.

Critical judgments made in applying accounting policies**Impairments in Subsidiaries and Associates**

When a subsidiary is in net equity deficit and has suffered operating losses, a test is made whether the investment in the investee has suffered any impairment, in accordance with the stated accounting policy. This determination requires significant judgment. An estimate is made of the future profitability of the investee, and the financial health of and near-term business outlook for the investee, including factors such as industry and sector performance, and financing and operational cash flows.

Impairment of plant & equipment and Intangible assets

The company assesses whether plant & equipment and intangible assets have any indication of impairment in accordance with the accounting policy. The recoverable amounts of plant & equipment and intangible asset have been determined based on value-in-use calculations. These calculations require the use of judgment and estimates.

Expected credit loss

Expected credit losses of the company are based on an evaluation of the collectability of receivables. A considerable amount of judgment is required in assessing the ultimate realization of these receivables, including their current creditworthiness, past collection history of each customer and ongoing dealings with them. If the financial conditions of the counterparties with which the Company contracted were to deteriorate, resulting in an impairment of their ability to make payments, additional expected credit loss may be required.

I. Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price (after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, if any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliably. The carrying amount of the replaced part is derecognized.

Costs of day to day repairs and maintenance costs are recognized into the statement of profit and loss account as incurred.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies**All amounts in INR Lakhs, Except No. of shares & EPS**

The residual values, estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation

Depreciation is provided on Straight Line Method, as per the provisions of schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment. Asset class wise useful lives in years are as under:

Plant and Machinery	1 to 25
Buildings	8 to 60
Computers and equipment	3 to 6
Furniture & fixtures	10 to 15
Vehicles	8 to 10
Office equipment	5 to 15

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

In respect of additions / deletions to the fixed assets / leasehold improvements, depreciation is charged from the date the asset is ready to use / up to the date of deletion.

Depreciation on adjustments to the historical cost of the assets on account of reinstatement of long term borrowings in foreign currency, if any, is provided prospectively over the residual useful life of the asset.

II. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. The company amortizes Computer software using the straight-line method.

Financial Assets

Financial assets comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies

All amounts in INR Lakhs, Except No. of shares & EPS

Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

(i) Financial assets measured at amortised cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

The Company while applying above criteria has classified the following at amortised cost:

- a) Trade receivable
- b) Cash and cash equivalents
- c) Other Financial Asset

(ii) Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, selling the financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at FVTOCI.

Fair Value movements in financial assets at FVTOCI are recognised in other comprehensive income.

Equity instruments held for trading are classified as at fair value through profit or loss (FVTPL). For other equity instruments the company classifies the same as at FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity investments at FVTOCI, excluding dividends are recognised in other comprehensive income (OCI).

(iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss if it does not meet the criteria for classification as measured at amortised cost or at fair value through other comprehensive income. All fair value changes are recognised in the statement of profit and loss.

(iv) Investment in subsidiaries, joint ventures & associates are carried at cost in the separate financial statements.

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

(i) Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over life time of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the life time when there is significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial asset or
- The contractual right to receive cash flows from financial asset is expired or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and transferred substantially all risks and rewards of ownership of the financial asset, in such cases the financial asset is derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is also derecognized if the company has not retained control of the financial asset.

III. Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

IV. Inventories

Raw materials, consumables, stores and spares and finished goods are valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

V. Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks subsequently measured at amortized cost and short term investments are measured at fair value through Profit & Loss account.

VI. Share Capital

Equity shares are classified as equity.

VII. Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value plus any directly attributable transaction costs, such as loan processing fees and issue expenses.

Subsequent measurement – at amortized cost

After initial recognition, financial liabilities are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in profit or loss when the liabilities are derecognized, and through the amortization process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

VIII. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

IX. Employee Benefits

Employee benefits are charged to the statement of Profit and Loss for the year and for the projects under construction stage are capitalised as other direct cost in the Capital Work in Progress / Intangible asset under development.

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are recognized, when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement in case of defined benefit plans gains and losses arising from experience adjustments and changes in actuarial assumptions

KAVVERI TELECOM PRODUCTS LIMITED**CIN : L85110KA1996PLC019627****Corporate Information & Summary Of Significant Accounting Policies****All amounts in INR Lakhs, Except No. of shares & EPS**

are recognized in the period in which they occur, directly in other comprehensive income and they are included in retained earnings in the statement of changes in equity in the balance sheet.

Compensated absences are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The amount of Non-current and Current portions of employee benefits is classified as per the actuarial valuation at the end of each financial year.

X. Stock Option Plan (2008):

The Company instituted the Kavveri ESOS 2008 Plan for all eligible employees in pursuance of the special resolution approved by the shareholders by Postal ballot on 23rd April 2008. The Kavveri ESOS 2008 Plan covers all employees of the company and its subsidiaries and Directors (excluding Promoter Directors) of the Company and its subsidiaries (collectively, “eligible employees”). Under the Scheme, the Compensation Committee of the Board (‘the Committee’) shall administer the Scheme and grant stock options to eligible directors and employees of the Company and its Subsidiaries. The Committee shall determine the employees eligible for receiving the options, the number of options to be granted, the exercise price, the vesting period and exercise period. Vesting of employee stock options granted occurs in tranches as under:

Period	Vesting proportion
At the end of one year from the date of grant	20%
At the end of two years from the date of grant	30%
At the end of three years from the date of grant	50%

The exercise price for the purpose of exercise of options will be at Rs.10/- per share i.e. at par. The employee stock options granted shall be capable of being exercised within a period of 5 years from the date of vesting options or such lesser period as may be decided by the Compensation Committee from time to time.

Under the Scheme 3,07,200 stock options out of the total of 5,00,000 stock options reserved for grant of options having an exercise price equal to the par value of the underlying equity shares on the date of grant (i.e. Rs. 10 per option) are outstanding as at the balance sheet date.

As the number of shares that an individual employee is entitled to receive and the price of the options are known at the grant date, the scheme is considered as a fixed grant.

In the case of termination of employment, all non-vested options would stand cancelled. Options that have been vested but have not been exercised can be exercised within the time prescribed under each option agreement by the Committee or if no time limit is prescribed, within 30 days of the date of employment termination, failing which they would stand cancelled.

The Company follows intrinsic method of accounting based on which the compensation cost is recognized in the Statement of Profit and Loss.

XI. Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable income will be available against which they can be utilized. Deferred tax assets are reviewed at each reporting date and reduced accordingly to the extent that it is no longer probable that they can be utilized.

In the situations where the Company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the company's gross total income is subject to the deduction during the tax holiday period.

Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Company restricts recognition of deferred tax assets to the extent that it has become reasonably certain, that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

Deferred tax assets and liabilities are offset when there is legally enforceable right of offset current tax assets and liabilities when the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

XII. Provisions, Contingent Liabilities and Contingent Assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and is recorded over the estimated time period until settlement of the obligation. Provisions are reviewed and adjusted, when required, to reflect the current best estimate at the end of each reporting period.

The Company recognizes decommissioning provisions in the period in which a legal or constructive obligation arises. A corresponding decommissioning cost is added to the carrying amount of the associated property, plant and equipment, and it is depreciated over the estimated useful life of the asset.

A provision for onerous contracts is recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable cost of meeting its obligations under contract. The provision is measured at the present value of the lower of expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the company recognizes any impairment loss on the assets associated with that contract.

Liquidated Damages / Penalty as per the contracts / Additional Contract Claims / Counter Claims under the contract entered into with Vendors and Contractors are recognized at the end of the contract or as agreed upon.

Contingent Liabilities

Contingent liability is disclosed in case of a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

A present obligation arising from past events, when no reliable estimate is possible;

A possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company where the probability of outflow of resources is not remote.

Contingent Assets

Contingent assets are not recognized but disclosed in the financial statements when an inflow of economic benefits is probable.

XIII. Fair Value Measurements

Company uses the following hierarchy when determining fair values:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (prices) or indirectly (derived from prices); and,

Level 3 – Inputs for the asset or liability that are not based on observable market data.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting dates. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. The fair value for these instruments is determined using Level 1 inputs.

The fair value of financial instruments that are not traded in an active market (for example, over the counter derivatives) is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is fair valued using level 2 inputs.

If one or more of the significant inputs is not based on observable market data, the instrument is fair valued using Level 3 inputs. Specific valuation techniques used to value financial instruments include:

Quoted market prices or dealer quotes for similar instruments;

The fair value of interest rate swaps is calculated as the present value of the estimated future cashflows based on observable yield curves;

The fair value of forward foreign exchange contracts is determined using forward exchange rates at the reporting dates, with the resulting value discounted back to present value;

Other techniques, such as discounted cash flow analysis, are used to determine fair value for the remaining financial instruments

XIV. Revenue Recognition

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The company collects GST, service tax, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. The following specific recognition criteria must also be met before revenue is recognized:

Insurance Claims

Insurance claims are recognized on acceptance / receipt of the claim.

Interest

Revenue is recognized as the interest accrues, using the effective interest method. This is the method of calculating the amortized cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established.

XV. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency of the company, at exchange rates in effect at the transaction date.

At each reporting date monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate in effect at the date of the statement of financial position.

The translation for other non-monetary assets is not updated from historical exchange rates unless they are carried at fair value.

XVI. Minimum Alternative Tax (MAT)

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews

All amounts in INR Lakhs, Except No. of shares & EPS

the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

XVII. Earnings per Share

Basic earnings per share are calculated by dividing:

The profits attributable to owners of the company

By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

mnb

XVIII. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

37. Additional Regulatory information

- i. The Company is in possession of immovable property and title deeds are held in the Name of the company.
- ii. The Company has not revalued any of its Property, Plant and Equipment during the year.
- iii. The Company has granted loans or advances in the nature of loans to promoters, directors, KMPs and other related parties.
- iv. There are no proceedings initiated or pending against the company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.

- v. The Company has no borrowings from banks or financial institutions on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.
- vi. The Company is not declared as wilful defaulter by any bank or financial Institution or other lenders.
- vii. The Company did not have any transactions with Companies struck off under Section 248 of Companies Act, 2013 or Section 560 of Companies Act, 1956 considering the information available with the Company.

38. i) Financial risk management objectives and policies

The Company's principal financial liabilities comprise of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations and FVTPL investments.

The Company is exposed to market risk and liquidity risk. The Company's senior management oversees management of these risks. The Company's financial risk activities are governed by appropriate policies and procedures so that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(ii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency rate risk, interest rate risk and other price risk. Financial instruments affected by market risk include FVTPL financial instruments.

The sensitivity analysis in the following sections relate to the position as at 31 March 2024 and 31 March 2023.

(iii) Equity price risk

The Company's listed equity instruments are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification. The Company's Board of Directors reviews and approves all equity investment decisions.

(iv) Liquidity Risk:

The Company's objective is to maintain a balance between continuity of funding and flexibility. The Company has sufficient working capital funds available to honour the debt maturing within 12 months.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors

Kavveri Telecom Products Limited

Report on Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated financial statements of **M/s. Kavveri Telecom Products Limited (“Holding company”)** and its subsidiaries (holding company and its subsidiaries together referred to as **“the Group”**) for the quarter ended 31st March, 2024 and for the period from 1st April, 2023 To 31st March, 2024 (**“the Statement”**), being submitted by the **“Holding company”** pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (**“Listing Regulations”**).

In our opinion and to the best of our information and according to the explanations given to us, **except for the possible effects of the matter described in the “Basis for Qualified Opinion paragraph”** these Statements:

1. includes the Unaudited results of the following entities:
 - a. Kaveri Realty 5 Inc.
 - b. Til - Tek Antennae Inc.
 - c. Kavveri Technologies Inc
 - d. DCI- Digital Communications Ltd
2. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations, as amended; and
3. gives a true and fair view, in conformity with the applicable accounting standards **except for Indian Accounting Standard 21 and 27**, and other accounting principles generally accepted in India, of consolidated total comprehensive income (comprising of net loss and other comprehensive income) and other financial information of **“The Group”** for the quarter and Year ended 31st March, 2024 and for the period from 01-04-2023 to 31-03-2024.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of **“The Group”**, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to

our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

1. *In the consolidated financial statements, the financial statements/ financial information of the following subsidiaries are not included for the Year ended 31st March, 2024.*
 - a. *Kavveri Telecom Infrastructure Limited*
 - b. *EAICOM India Private Limited*
 - c. *Kavveri Technologies Americans Inc.*
 - d. *New England Communications Systems Inc.*
 - e. *Quality Communications Systems Inc.*
 - f. *Spotwave Wireless Ltd.*
 - g. *Trackcon Systems International Inc.*

As the results/ financial information of the above mentioned subsidiaries are not considered in consolidation for the year ended 31.03.2024, the current year figures are not comparable to previous year.

2. *In respect of preparation of financial statements of "**the group**" on going concern basis, during the Year ended, "**the group**" has incurred a Net loss of Rs. 133.50 Lakhs resulting into accumulated losses of Rs. 9,224.81 Lakhs. "**The group**" has obligations towards fund-based borrowings and significant decrease in revenue over the years. These conditions indicate the existence of a material uncertainty that may cast significant doubt on "**the group's**" ability to continue as going concern and "**the group**" may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements.*
3. We refer to "**Qualified Opinion and Emphasis of Matter**" in our Auditor's Report on Standalone financial statements of **M/s. Kavveri Telecom Products Limited** ("the Holding company") for the Year Ended 31st March 2024

"Basis for Qualified Opinion"

- i. ***Material uncertainty related to Going Concern:*** *During the year the company has incurred a Net loss of Rs. 84.92 Lakhs resulting into accumulated losses of Rs. 9,108.30 Lakhs, which is after recording all the necessary entries based on the write back off of Deposits, Interest receivables and Trade receivables. There is significant decrease in revenue over the past few years. These conditions indicate the existence of a material uncertainty that may cast a significant doubt on the Company's*

ability to continue as going concern and therefore may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying standalone financial statements.

- ii. In relation to carrying value of investments held by the company in its subsidiaries, which have been incurring losses and in some of these companies, net worth was fully or substantially eroded. Taking into account the management internal assessment and initiatives to be implemented to improve the profitability in the medium to long term, the management of the company is of the view that carrying value of investments are realizable at the value stated in the books. In the absence of fair valuation of these investments, we are unable to comment upon the carrying value and thus, we are unable to comment whether any provision for impairment in the value of investments is required,*
- iii. The company has not reinstated the forex balances in respect receivables and payables including the related parties balances which is not in conformity with Indian Accounting Standards 21, we are unable to comment the possible effects on the financial statements as the company does not have the details of the forex receivables and payables, further there are no balance confirmations available,*

Emphasis of Matter

Without qualifying our opinion, we draw attention to the below

- i. Deposits, Loans and Advances :** We draw attention to Note 3 in the financial statements, which describes the write-off of certain deposits. As disclosed in Note 3, during the current year, the company has recognized a write-off of deposits due to their unrecoverable nature. The total value of Deposits written off during the financial year is Rs. 2.51 Lakhs.
The write-off of deposits represents a significant event that has affected the company's financial position. It reflects management's revised assessment of the recoverability of these deposits based on the current information, contractual status, or disputes.
In the absence of confirmations of Loans and Advances, and various advances, we are unable to comment on the extent to which such balances are recoverable,
- ii. Interest Receivable from Banks :** We draw attention to Note 9 in the financial statements, which describes the write-off of interest receivable from banks. As disclosed in Note 9, during the current year, the company has recognized a write-off of previously recognized interest receivable from bank. The total value of Interest receivable from bank written off during the financial year is Rs. 1.05 Lakhs.

iii. **Trade Payable, Advances Received and Confirmation** : We draw attention to Note 15 in the financial statements, which describes the write-back of certain trade payables and advances received. As disclosed in Note 15, during the current year, the company has recognized a reversal of previously recognized trade payables and advances received due to their no longer being payable or refundable. The total value of trade payables and advances write-back during the financial year is Rs. 0.51 Lakhs.

Further, we draw attention to Note 15 & 16 in the financial statements, which describes the absence of confirmation of Trade Payable and Advances as on 31st March 2024. However, the Company is in the process of obtaining the same, based on that we are unable to comment on the extent to which such balances are payable. The total value of Trade Payable as on 31st March 2024 is Rs.46.10 Lakhs.

In the absence of confirmations of Trade Payables and various advances, we are unable to comment on the extent to which such balances are payable,

iv. **Trade Receivables, Advances and Balance Confirmation** : We draw attention to Note 7 & 9 in the financial statements, which describes the absence of confirmation of Trade Receivables and Advances as on 31st March 2024. However, the Company is in the process of obtaining the same, based on that we are unable to comment on the extent to which such balances are recoverable. The total value of Trade Receivable as on 31st March 2024 is Rs.237.18 Lakhs.

In the absence of confirmations of Trade Receivables we are unable to comment on the extent to which such balances are recoverable,

v. **Borrowings** : In the absence of confirmations of borrowings, we are unable to comment on the extent to which such balances are payable,

vi. **Overseas Investment Audit Report** : In our opinion and according to the information and explanations given to us, the Company has not provided the audit reports of the group companies Hence we are unable to ascertain the details of the same.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the Financial Statements

These quarterly financial results as well as the year-to-date consolidated financial results have been prepared on the basis of the interim financial statements.

The "**Holding Company's**" Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information of "**the Group**" in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in "**the Group**" are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of "**the Group**" and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the "**Holding Company**", as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in "**the Group**" are responsible for assessing the ability of "**the Group**" to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in "**the Group**" are responsible for overseeing the financial reporting process of "**the Group**".

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of "the Group" to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause "the Group" to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within "the Group" to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, is based solely on such unaudited interim Financial Statements/Financial Results/financial information have been furnished to us by the Board of Directors.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of

the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

- We communicate with those charged with governance of the “Holding Company” and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.
- Based on our examination which included test checks, performed by us on the Company and its subsidiaries incorporated in India, except for the instances mentioned below, if any, have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of audit, we have not come across any instance of the audit trail feature being tampered with.

The Holding Company and the subsidiaries, associates and joint ventures which are companies incorporated in India and whose financial statements have been audited under the Act, have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, the Holding Company and above referred subsidiaries, associates and joint ventures did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Other Matter Paragraph

The consolidated Financial Results include the unaudited Financial Results of Four Subsidiaries, whose interim Financial Statements/Financial Results/ financial information reflect “**The Group’s**” share of total assets of Rs. 2,781.12 Lakhs as at 31st March, 2024, “**The Group’s**” share of total revenue of Rs. 158.57 Lakhs and “**The Group’s**” share of total net loss after tax of Rs. 48.58 Lakhs for the for the period

from 1st April, 2023 To 31st March, 2024 respectively, as considered in the consolidated Financial Results. These unaudited interim Financial Statements/Financial Results/ financial information have been furnished to us by the management and our opinion on the consolidated Financial Results, in so far as it relate to the amounts and disclosures included in respect of these subsidiaries, is based solely on such unaudited interim Financial Statements/Financial Results/financial information.

²¹ Out of the total Plant and Machinery disposed amounting to Rs.2950.43 Lakhs, Rs.35.57 Lakhs were sold in the FY 2022-23 and the balance of Rs.2914.86 Lakhs were sold in the earlier years which were not reduced from the Plant and Machinery, has been rectified in the current financial year (2022-23), relevant accumulated depreciation for the Plant and Machinery sold has also been reduced.

27. Corporate Information

M/s Kavveri Telecom Products Limited ('company' or 'Kavveri') was incorporated in 1996 and is engaged in the design, development and manufacture of Radio Frequency products and antennae for telecom, defense and space applications in India and abroad. Kavveri enjoys the status of being the largest manufacturer of wireless subsystem products like, Radio frequency products and antenna and Radio Frequency products in India. Kavveri also provides total turnkey solutions for coverage and capacity enhancement requirements for GSM 3G and CDMA carriers in India

28. SIGNIFICANT ACCOUNTING POLICIES**Basis of preparation**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with IndAS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, 2016 & 2017 and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- Assets held for sale – measured at fair value less cost to sell; and
- Defined benefit plans – plan assets measured at fair value;

(iii) Recent accounting pronouncements

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2018, notified IND AS 115 'Revenue from Contracts with Customers' and its impact on other IND AS Standards, which shall come into force from April 01, 2018. The company is evaluating the requirement of standard and its implications on the financial statements.

Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reporting amounts of assets, liabilities, income and expense and disclosures made. Although these estimates are based on management's best knowledge of current events and actions, actual result may differ from those estimates.

The critical accounting estimates and assumptions used and areas involving a high degree of judgments are described below:

Use of estimation and assumptions

In the process of applying the entity's accounting policies, management had made the following estimation and assumptions that have the significant effect on the amounts recognised in the financial statements.

Income tax

The company recognizes tax liabilities based upon self-assessment as per the tax laws. When the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such final determination is made.

Property, plant and equipment & Intangible Assets

Key estimates related to long-lived assets (property, plant and equipment and intangible assets) include useful lives, recoverability of carrying values and the existence of any retirement obligations. As a result of future decisions, such estimates could be significantly modified. The estimated useful lives of long-lived assets is applied as per the Schedule II of Companies Act, 2013 and estimated based upon our historical experience, engineering estimates and industry information. These estimates include an assumption regarding periodic maintenance and an appropriate level of annual capital expenditures to maintain the assets.

Employee Benefits- Measurement of Defined Benefit Obligation

Management assesses post-employment and other employee benefit obligations using the projected unit credit method based on actuarial assumptions which represent management's best estimates of the variables that will determine the ultimate cost of providing post-employment and other employee benefits.

Critical judgments made in applying accounting policies

Impairments in Subsidiaries and Associates

When a subsidiary is in net equity deficit and has suffered operating losses, a test is made whether the investment in the investee has suffered any impairment, in accordance with the stated accounting policy. This determination requires significant judgment. An estimate is made of the future profitability

of the investee, and the financial health of and near-term business outlook for the investee, including factors such as industry and sector performance, and financing and operational cash flows.

Impairment of plant & equipment and Intangible assets

The company assesses whether plant & equipment and intangible assets have any indication of impairment in accordance with the accounting policy. The recoverable amounts of plant & equipment and intangible asset have been determined based on value-in-use calculations. These calculations require the use of judgment and estimates.

Expected credit loss

Expected credit losses of the company are based on an evaluation of the collectability of receivables. A considerable amount of judgment is required in assessing the ultimate realization of these receivables, including their current creditworthiness, past collection history of each customer and ongoing dealings with them. If the financial conditions of the counterparties with which the Company contracted were to deteriorate, resulting in an impairment of their ability to make payments, additional expected credit loss may be required.

I. Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price (after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, if any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliably. The carrying amount of the replaced part is derecognized.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies

All amounts in INR Lakhs, Except No. of shares & EPS

Costs of day to day repairs and maintenance costs are recognized into the statement of profit and loss account as incurred.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation

Depreciation is provided on Straight Line Method, as per the provisions of schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment. Asset class wise useful lives in years are as under:

Plant and Machinery	1 to 25
Buildings	8 to 60
Computers and equipment	3 to 6
Furniture & fixtures	10 to 15
Vehicles	8 to 10
Office equipment	5 to 15

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

In respect of additions / deletions to the fixed assets / leasehold improvements, depreciation is charged from the date the asset is ready to use / up to the date of deletion.

Depreciation on adjustments to the historical cost of the assets on account of reinstatement of long term borrowings in foreign currency, if any, is provided prospectively over the residual useful life of the asset.

II. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. The company amortizes Computer software using the straight-line method.

Financial Assets

Financial assets comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

(i) Financial assets measured at amortised cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

The Company while applying above criteria has classified the following at amortised cost:

- a) Trade receivable
- b) Cash and cash equivalents
- c) Other Financial Asset

(ii) Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, selling the financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at FVTOCI.

Fair Value movements in financial assets at FVTOCI are recognised in other comprehensive income.

Equity instruments held for trading are classified as at fair value through profit or loss (FVTPL). For other equity instruments the company classifies the same as at FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity investments at FVTOCI, excluding dividends are recognised in other comprehensive income (OCI).

(iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss if it does not meet the criteria for classification as measured at amortised cost or at fair value through other comprehensive income. All fair value changes are recognised in the statement of profit and loss.

(iv) Investment in subsidiaries, joint ventures & associates are carried at cost in the separate financial statements.

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

(i) Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over life time of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the life time when there is significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial asset or
- The contractual right to receive cash flows from financial asset is expired or

- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and transferred substantially all risks and rewards of ownership of the financial asset, in such cases the financial asset is derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is also derecognized if the company has not retained control of the financial asset.

III. Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

IV. Inventories

Raw materials, consumables, stores and spares and finished goods are valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

V. Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks subsequently measured at amortized cost and short term investments are measured at fair value through Profit & Loss account.

VI. Share Capital

Equity shares are classified as equity.

VII. Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value plus any directly attributable transaction costs, such as loan processing fees and issue expenses.

Subsequent measurement – at amortized cost

After initial recognition, financial liabilities are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in profit or loss when the liabilities are derecognized, and through the amortization process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

VIII. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

IX. Employee Benefits

Employee benefits are charged to the statement of Profit and Loss for the year and for the projects under construction stage are capitalised as other direct cost in the Capital Work in Progress / Intangible asset under development.

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are recognized, when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement in case of defined benefit plans gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income and they are included in retained earnings in the statement of changes in equity in the balance sheet.

Compensated absences are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The amount of Non-current and Current portions of employee benefits is classified as per the actuarial valuation at the end of each financial year.

X. Stock Option Plan (2008):

The Company instituted the Kavveri ESOS 2008 Plan for all eligible employees in pursuance of the special resolution approved by the shareholders by Postal ballot on 23rd April 2008. The Kavveri ESOS 2008 Plan covers all employees of the company and its subsidiaries and Directors (excluding Promoter Directors) of the Company and its subsidiaries (collectively, "eligible employees"). Under the Scheme, the Compensation Committee of the Board ('the Committee') shall administer the Scheme and grant stock options to eligible directors and employees of the Company and its Subsidiaries. The Committee shall determine the employees eligible for receiving the options, the number of options to be granted, the exercise price, the vesting period and exercise period. Vesting of employee stock options granted occurs in tranches as under:

Period	Vesting proportion
At the end of one year from the date of grant	20%
At the end of two years from the date of grant	30%
At the end of three years from the date of grant	50%

KAVVERI TELECOM PRODUCTS LIMITED**CIN : L85110KA1996PLC019627****Corporate Information & Summary Of Significant Accounting Policies****All amounts in INR Lakhs, Except No. of shares & EPS**

The exercise price for the purpose of exercise of options will be at Rs.10/- per share i.e. at par. The employee stock options granted shall be capable of being exercised within a period of 5 years from the date of vesting options or such lesser period as may be decided by the Compensation Committee from time to time.

Under the Scheme 3,07,200 stock options out of the total of 5,00,000 stock options reserved for grant of options having an exercise price equal to the par value of the underlying equity shares on the date of grant (i.e. Rs. 10 per option) are outstanding as at the balance sheet date.

As the number of shares that an individual employee is entitled to receive and the price of the options are known at the grant date, the scheme is considered as a fixed grant.

In the case of termination of employment, all non-vested options would stand cancelled. Options that have been vested but have not been exercised can be exercised within the time prescribed under each option agreement by the Committee or if no time limit is prescribed, within 30 days of the date of employment termination, failing which they would stand cancelled.

The Company follows intrinsic method of accounting based on which the compensation cost is recognized in the Statement of Profit and Loss.

XI. Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable income will be available against which they can be utilized. Deferred tax assets are reviewed at

each reporting date and reduced accordingly to the extent that it is no longer probable that they can be utilized.

In the situations where the Company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the company's gross total income is subject to the deduction during the tax holiday period.

Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Company restricts recognition of deferred tax assets to the extent that it has become reasonably certain, that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

Deferred tax assets and liabilities are offset when there is legally enforceable right of offset current tax assets and liabilities when the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

XII. Provisions, Contingent Liabilities and Contingent Assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and is recorded over the estimated time period until settlement of the obligation. Provisions are reviewed and adjusted, when required, to reflect the current best estimate at the end of each reporting period.

The Company recognizes decommissioning provisions in the period in which a legal or constructive obligation arises. A corresponding decommissioning cost is added to the carrying amount of the associated property, plant and equipment, and it is depreciated over the estimated useful life of the asset.

KAVVERI TELECOM PRODUCTS LIMITED

CIN : L85110KA1996PLC019627

Corporate Information & Summary Of Significant Accounting Policies**All amounts in INR Lakhs, Except No. of shares & EPS**

A provision for onerous contracts is recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable cost of meeting its obligations under contract. The provision is measured at the present value of the lower of expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the company recognizes any impairment loss on the assets associated with that contract.

Liquidated Damages / Penalty as per the contracts / Additional Contract Claims / Counter Claims under the contract entered into with Vendors and Contractors are recognized at the end of the contract or as agreed upon.

Contingent Liabilities

Contingent liability is disclosed in case of

A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

A present obligation arising from past events, when no reliable estimate is possible;

A possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company where the probability of outflow of resources is not remote.

Contingent Assets

Contingent assets are not recognized but disclosed in the financial statements when as inflow of economic benefits is probable.

XIII. Fair Value Measurements

Company uses the following hierarchy when determining fair values:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (prices) or indirectly (derived from prices); and,

Level 3 – Inputs for the asset or liability that are not based on observable market data.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting dates. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. The fair value for these instruments is determined using Level 1 inputs.

The fair value of financial instruments that are not traded in an active market (for example, over the counter derivatives) is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is fair valued using level 2 inputs.

If one or more of the significant inputs is not based on observable market data, the instrument is fair valued using Level 3 inputs. Specific valuation techniques used to value financial instruments include:

Quoted market prices or dealer quotes for similar instruments;

The fair value of interest rate swaps is calculated as the present value of the estimated future cashflows based on observable yield curves;

The fair value of forward foreign exchange contracts is determined using forward exchange rates at the reporting dates, with the resulting value discounted back to present value;

Other techniques, such as discounted cash flow analysis, are used to determine fair value for the remaining financial instruments

XIV. Revenue Recognition

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The company collects GST, service tax, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. The following specific recognition criteria must also be met before revenue is recognized:

Insurance Claims

Insurance claims are recognized on acceptance / receipt of the claim.

Interest

Revenue is recognized as the interest accrues, using the effective interest method. This is the method of calculating the amortized cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established.

XV. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency of the company, at exchange rates in effect at the transaction date.

At each reporting date monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate in effect at the date of the statement of financial position.

The translation for other non-monetary assets is not updated from historical exchange rates unless they are carried at fair value.

XVI. Minimum Alternative Tax (MAT)

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

XVII. Earnings per Share

Basic earnings per share are calculated by dividing:

The profits attributable to owners of the company

By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

XVIII. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

40. i) Financial risk management objectives and policies

The Company's principal financial liabilities comprise of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations and FVTPL investments.

The Company is exposed to market risk and liquidity risk. The Company's senior management oversees management of these risks. The Company's financial risk activities are governed by appropriate policies and procedures so that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(ii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency rate risk, interest rate risk and other price risk. Financial instruments affected by market risk include FVTPL financial instruments.

The sensitivity analysis in the following sections relate to the position as at 31 March 2023 and 31 March 2024.
